HOW TO REGISTER FOR ACCESS TO THE ELECTRONIC JOURNAL

Registration Process

1. On connecting with the Faculty website (www.ffprhc.org.uk), click on the picture of the 'Journal' to access the electronic Journal.
2. Next, under Related Links, click on 'Membership Activation'.
3. In the appropriate boxes enter your Surname, E-mail Address, Country and Membership Number (M000, D000, etc – six digits). NB. These boxes are case-sensitive.
4. Next, select a User Name and Password.
5. Ignore the box marked 'Ingenta Select ID number – CID'.
6. Click on 'Enable Access'.
7. A confirmation e-mail will be sent to you.

After Registration

Once you have registered you can access the Journal as follows:

1. On connecting with the Faculty website (www.ffprhc.org.uk), click on the picture of the 'Journal' to access the electronic Journal.
2. Select the volume and issue number.
3. Select the article you wish to view.
4. Enter your user name and password.
