Volume 47 Issue 3 | BMJ SRH July 2021

Editorial

157 Supporting blood pressure measurement prior to online prescription of the combined oral contraceptive
P Baraith, H McCulloch, Z Shatzer, CJ Frey

Original research

159 10% lidocaine spray for pain control during intrauterine device insertion: a randomised, double-blind, placebo-controlled trial
N Panichayut, T Angkongthong, T Wongwanantrakul, K Srinavat

166 Estimating the market size for a dual prevention pill: adding contraception to pre-exposure prophylaxis (PrEP) to increase uptake
I Begg, R Brodsky, B Friedland, S Mathur, J Safer, G Creasy

173 Postpartum long-acting contraception uptake and service delivery outcomes after a multilevel intervention in Kigali, Rwanda

179 Postpartum women’s knowledge and planned use of contraception in Myanmar
H H Yu, C Raynes-Greenow, K K Niyunt, S Har Htet, N K W Yez, N S Mago, K I Black

185 Acceptability of remote prescribing and postal delivery services for contraceptive pills and treatment of uncomplicated Chlamydia trachomatis
T Nadarzynski, V Symonds, R Carroll, J Gibbs, S Kidley, C A Graham

193 Provider perspectives in implementing the Postpartum Intrauterine Device Initiative in Sri Lanka: a qualitative study
R de Silva, S Huber-Kram, A Samanmuthuera, M Karna, E Pearson, H Senanayake, D Conning, J Shah

200 Accessing abortion outside jurisdiction following legalisation of abortion in the Republic of Ireland
S Brab, R Compen, M Kelly, A R A Aiken, C Coblen

205 Over-the-counter oral contraceptive use among women in Mexico: results from a national survey
K Greidley, A Wollum, J Karver, D Grossman

Review

211 Perceived barriers and facilitators to accessing and utilising sexual and reproductive healthcare for people who experience homelessness: a systematic review
M Paton, J March-McDonald, L Burns, E Snodgrass-Claire, I Wieth, J Shawe

SRH clinical consult

221 Troublesome bleeding following early medical abortion
J J Reynolds-Wright, J Fletcher

Better way of working

224 ‘Our COVID-19 cloud silvery lining’: the initiation and progress of postnatal contraception services during the COVID-19 pandemic in a UK maternity hospital
K J Campbell, R Barlow-Evans, S Jerrell, N Woodhead, R Singh, K Jaffer

Personal view

228 More than just contraception: the impact of the levonorgestrel-releasing intrauterine system on public health over 30 years
K González-Daniellson, A Kubba, C Cauano, T Kaasmann, E Lukhuti-Lax, O Hakenhams

Letters

231 New position for subdermal implant
J Cromartie

231 Termination of pregnancy services: a year in review in a tertiary maternity hospital
E O’Shaughnessy, S Letao, N Rossell, K O’Donaghue

232 Challenges of accessing emergency contraceptive pills in Japan
K Kamiya, Y Kataoka, D Shigemi

Venus

234 Venus

Electronic pages

e3 Understanding the diverse sexual repertoires of men who have sex with men, trans and gender-diverse groups is important for sexually transmitted infection prevention
D Richardson, K Z Nambar, T Nadarzynski

e4 Age pattern of sexual activities with the most recent partner among men who have sex with men in Melbourne, Australia: a cross-sectional study
A Kiter, C K Fairley, S Burrell, C S Bradshaw, AI Y Chan, E F P Owe
