Agree Neutral Disagree Don't know

The technology worked well	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The Nurse/Dr I spoke to was someone I knew	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I had enough privacy to talk to the Nurse/Dr from my home/place of lockdown	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
It was easy to understand what the Nurse/Dr was saying	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I trusted that what I told the nurse/Dr would be kept confidential	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The Nurse/Dr checked I understood everything	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I had enough time to talk about everything I wanted to talk about	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
It was easier than going to the clinic	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I understood what (if anything) would happen next or what I needed to do next	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Display This Question: If Did you get help from a nurse/Dr about your sexual health care needs during Lockdown? = Yes

23 Use the slider scale to show how happy you were with the advice, care or treatment you got for your sexual health during Lockdown.

- 1 (Very unhappy face)
- 2 (Unhappy face)
- 3 (Neutral face)
- 4 (Happy face)
- 5 (Very happy face)

Display This Question: If Did you get help from a nurse/Dr about your sexual health care needs during Lockdown? = No

24 What were the reasons for *not* seeking help for your sexual health during Lockdown? Choose all that apply.

- Tried calling but couldn't get through
- Didn't know who to call
- Didn't think it was important
- Didn't think anywhere was open
- Didn't think I was allowed to during lockdown
- Thought it could wait
- No privacy to make a phonecall
- Don't have my own phone
- No phone credit
- No way to get to a clinic
- Didn't want to leave house during lockdown
- Worried about catching Covid-19 if I went out
- People in my bubble (household) would ask where I was going

Don't know

Other (please say) _____

25 Which method of contact with the nurse/Dr would you most want to use in the following situations?

	Clinic visit (in person)	Phone or video call	Text/email/messaging	Don't know
To get information or advice about a sexual health matter	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
If you had symptoms you were worried about	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
If you wanted to get checked for STIs	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To get treatment for an STI	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
If you wanted to get condoms/barrier protection	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
If you needed contraception (ignore if you don't have female reproductive system)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
If you wanted to discuss HIV medication	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

26 STI testing - a test for an STI usually involves taking your own vaginal swab or peeing in a pot at a clinic, but other options for testing might be more appealing to young people. Where might you want to get a free STI test if you needed to? Mark all that apply.

- At the nurse/Dr clinic
- Pick up a test kit to use at home
- Order a test kit online
- At a mobile clinic (e.g. bus or caravan)
- At a marae
- At a pharmacy
- At a community or Youth centre
